

Suburban Nursery School Wish List

Highest Priority

- Google Ad Space – this has been one of the most effective recruitment tools we have used. Budget is set and used on a per-click basis. \$200 will last approximately 5-days. There is no limit on the amount of Ad funds we can use.
- Storage Shed – a place to park our trikes, scooters, cars and sand box toys. Estimated cost \$7,000. A contribution in any amount is helpful.

Medium Priority

- Tomas Eaglebear & Southwest Native Dancers – a program featuring Native American stories, music and dance to give our students and appreciation for our early American history. We like to do this annually, at a cost of \$205.
- Reptile Wonders – a hands-on science exploration of reptiles including; what they eat, where they live, how they adapt to their environment and, of course, how they feel! This is an excellent early-science experience. \$200
- Other learning experiences – these can vary from science demonstrations to theatrical performances. \$200
- Movement – provided weekly to our students. Any contribution amount is appreciated to help support this enrichment program.
- Cars and Trains – for use in our Yellowbird room (2 year-olds). We are always in need of more of these. Gently used items are welcome.
- Hospitality supplies for our teachers and parent functions. Includes paper plates, cutlery, napkins, cups (hot and cold), water, juice, coffee, tea, creamer & sugar.

Note: Make checks are payable to "Suburban Nursery School". Please specify which item your donation should go towards. Physical items can be shipped directly to the school. If you have any questions, please email fundraising@suburbannurseryschool.org. Thank you for your support!
